Carisbrooke Park has large grassed reserves, features shaded junior playgrounds as well as picnic areas and barbecues. Carisbrooke Park is the first in a series of reserves at Salisbury Park that is linked by the Little Para River and walking trails. Multiple trail options on both sides of the river assist access for those using wheelchairs. Dogs are welcome on leads. Toilet facilities and barbecue areas are available, making Carisbrooke Park perfect for a full days outing.

Concept of Works

We are encouraging artists to be artistic and creative in a way that will add to the communities over all experience whilst visiting Carisbrooke park. We would like to encourage artist to consider a design that connects both buildings and is appealing from the many view points creating a centrepiece for the park. Preference will be given to native concepts (birds, wildlife, plants).

We want so see original designs capturing colour and vibrancy to make, users of the park to stop and think wow, that’s amazing.

The kitchen block walls measure approx. 69sqm and the toilet block walls measure approx. 27sqm.

Practical Considerations

The artist must exercise a duty of care in the concept design and consider the management of risk and public safety. The artworks should be produced from durable materials, require minimal maintenance and will be appropriate in scale.

The wall is on a community building so we encourage artists to appeal to people of all ages, cultural backgrounds and links with the artwork.

Artists will also need to ensure all elements:

- Is safe for the general public;
- Is durable, robust, resilient and painted with appropriate high-quality materials;
- Be easily cleaned to remove dirt and general grime;
- Be resistant to graffiti or treated with anti-graffiti coating; and
- Meet all relevant safety standards, City of Salisbury Work Health and Safety clauses as per the Terms and Conditions.

The public artwork is limited by the nature of the location hence is open to the possibility of vandalism and desecration.

Copyright

The copyright for the design will remain at all times with the artist. The completed artwork and will become an asset within the City of Salisbury and will be added to the Councils Register.
