St Kilda Adventure Playground - Toilet Block

Bigger, better and award-winning, the St Kilda Adventure Playground is one of a kind. Since its inception, St Kilda has become a well-loved destination for adults and kids alike.

Celebrating 40 years in 2022, the playground offers many attractions including a huge castle with slides and a draw bridge, a bouncy boomerang, flying fox, pirate ship, a large Volcano with multiple slides, a basketball court, swings and more. What sets this playground apart from others is its sheer size and the elaborate design of its equipment.

Concept of Works

We are encouraging artists to be artistic and creative in a way that will add to the communities over all experience whilst visiting St Kilda. As this is an iconic playground, we are asking artists to take into consideration the demographic users of the area and ask that their concepts include a form of an ‘Instagram Wall’. We want so see original designs capturing colour and vibrancy to make, users of the area to stop and think wow, that’s amazing.

The wall measures approx. 21sqm

Practical Considerations

The artist must exercise a duty of care in the concept design and consider the management of risk and public safety. The artworks should be produced from durable materials, require minimal maintenance and will be appropriate in scale.

The wall is on a community building so we encourage artists to appeal to people of all ages, cultural backgrounds and links with the artwork.

Artists will also need to ensure all elements:

- Is safe for the general public;
- Is durable, robust, resilient and painted with appropriate high-quality materials;
- Be easily cleaned to remove dirt and general grime;
- Be resistant to graffiti or treated with anti-graffiti coating; and
- Meet all relevant safety standards, City of Salisbury Work Health and Safety clauses as per the Terms and Conditions.

The public artwork is limited by the nature of the location hence is open to the possibility of vandalism and desecration.

Copyright

The copyright for the design will remain at all times with the artist. The completed artwork and will become an asset within the City of Salisbury and will be added to the Councils Register.
