Cross Keys Road Wall

While this wall looks out to Cross Key Road, a busy connecting road to many small and large businesses, this large black canvas is the end wall of a nest of small local businesses. Consisting of long term tenants Spike's Crash repair business and a food catering wholesaler.

Concept of Works

We are encouraging artists to be artistic and creative in a way that showcases the many different and diverse businesses in the area, we hope artists create a mural that stands as a 'symbol' of renewal and creativity that will transform this blank space into a visual story of this bustling industrial area surrounding it.

Types of business in the area: Auto repair, solar wholesalers, cabinetry, Haigh's chocolate factory, Bickfords drinks, Bridgestone tyres, Bega, Coca-cola and NOUMED Pharmaceutical, just to name a few.

Photos of the selected wall:

The brick wall (full mural space) measures 22metres wide and 6metre high, with safe access off the main road. A wide space around the wall to allow for scaffolding or any equipment required.

Practical Considerations

The artist must exercise a duty of care in the concept design and consider the management of risk and public safety. The artworks should be produced from durable materials, require minimal maintenance and will be appropriate in scale. Council will be responsible for a high pressure clean of the wall one week prior to approved artist commencing the artwork.

Artists will also need to ensure all elements:

- Is safe for the general public;
- Is durable, robust, resilient and painted with appropriate high quality materials;
- A high quality anti-graffiti coating is applied to the completed mural.
- Meet all relevant safety standards, City of Salisbury Work Health and Safety clauses as per the Terms and Conditions.

The public artwork is limited by the nature of the location hence is open to the possibility of vandalism and desecration.

Copyright

The copyright for the design will remain at all times with the artist. The completed artwork and will become an asset within the City of Salisbury and will be added to the Councils Register.
