

## Option 1: Non-powerline side

Field Maple  
*Acer campestre*

A compact deciduous tree, up to 8m in height. It has a rounded, dense canopy of bright green foliage that turns yellow in autumn. This tree tolerates a wide range of soil and climatic conditions. This tree is recommended for small verges.

## Powerline side

Field Maple  
*Acer campestre 'Elsrijk'*

A smaller Maple, up to 7m in height. It has a rounded, dense canopy of bright green foliage. This tree tolerates a wide range of soil and climatic conditions. This tree is recommended for small verges and approved under powerlines.

## Option 2: Non-powerline side

Australian Wilga  
*Geijera parviflora*

An evergreen tree, up to 8m in height with a weeping canopy of leathery, green foliage. Small, white, citrus-scented flowers appear in winter and spring. This tree is tolerant a wide range of soils and climatic conditions and is recommended for small to medium verges and approved under powerlines. Local example: Welby Avenue, Salisbury East.

Australian Wilga  
*Geijera parviflora*

An evergreen tree, up to 8m in height with a weeping canopy of leathery, green foliage. Small, white, citrus-scented flowers appear in winter and spring. This tree is tolerant a wide range of soils and climatic conditions and is recommended for small to medium verges and approved under powerlines. Local example: Welby Avenue, Salisbury East.

## Option 3: Non-powerline side

Red Cottonwood  
*Hibiscus tiliaceus rubra*

This is a small to medium sized evergreen shade tree, growing up to 8m tall, with dark foliage and vibrant yellow flowers in Summer. This tree is recommended for small verges and approved under powerlines.

Local example: Main North Road (median), Pooraka

# Street Tree Renewal Program

## Community Information

### Johnswood Drive, Salisbury Park

To register your vote for which options you prefer for your street, scan here using your mobile phone or smart device:

or visit: [www.salisbury.sa.gov.au/treeprogram](http://www.salisbury.sa.gov.au/treeprogram)

If you have any questions, please contact the project team on 1300 67 65 03 or [consultation@salisburytrees.com.au](mailto:consultation@salisburytrees.com.au)

## Timeframe

Consultation closes 5pm Friday 27 September 2024, please provide your vote and comments by this date.

Tree removal works are being coordinated to occur over Summer 2024/2025 with planting scheduled for Autumn/Winter 2025.

The City of Salisbury **invites you to vote** for which street tree species will be planted within your street.

Please find enclosed information relating to proposed tree species, trees to be removed, trees to be retained and new plantings.
