

Declaration under Section 19 Local Nuisance and Litter Control Act 2016

Salisbury (or delegate) can exempt a person from the application of Section 18- Causing a local nuisance, in respect of a specified activity if the Council for the area (or delegate) in which the activity is to be carried on declares, by notice in writing, in accordance with this the Act section, that the person is so exempt.

This declaration has been considered and issued to the **Applicant** for the purposes of the following specified activity:

- concerts or events;
- activities using amplified sound.

This declaration can be unconditional or subject to conditions, including (but not limited to) conditions relating to—

- (a) the permitted times or periods of time for carrying on the activity; or
(b) the manner of carrying on the activity.

Activities for Which an Exemption is Being Sought, namely:	Select Applicable
Construction or Demolition Works	
Concerts or Events	X
Activities Using Amplified Sound.	X
Other (describe)	

Description or nature of the activity:
Hosting two Christmas services, one on Friday, December 20 th and another on Saturday, December 21 st . Christmas holds great significance in our faith, and our main service on Saturday will be followed by a festive celebration. This will include family-friendly activities, entertainment, food, and music, all taking place on the outdoor areas of our church

Location of the activity:	
Name or Identifier of site	Nova Church
Address	61 Baloo Street Ingle Farm SA 5098

The anticipated sources and kinds of local nuisance generated by the activity:

Amplified Music - through front-of-house speakers and to use additional speakers in the car park, where our celebration event will be held.

The period for which the declaration is sought:

Date(s):	Friday, 20th December 2024 Saturday, 21st December 2024
Times (duration)	FRIDAY, 20th DECEMBER 4:30PM to 8:30PM
	SATURDAY, 21st DECEMBER 2024 4:30PM to 8:30PM

The proposed strategy for minimising, managing and monitoring the effects of the local nuisance on potentially affected persons;

To ensure that the upcoming event has minimal impact on the surrounding area, we have put in place a comprehensive strategy to manage and monitor any potential nuisances. The key elements of this strategy are as follows:

1. **Limited Duration of Amplified Sound/Music:**
The outside amplified sound/music will be restricted to a short timeframe, specifically from 4:30 pm to 8:30 pm, to avoid prolonged noise disturbance.
2. **Noise Monitoring:**
We will monitor noise levels throughout the event to ensure they stay within acceptable limits. Should any issues arise, we will consider further action to minimise any disruption.
3. **Designated Point of Contact:**
A dedicated point of contact will be available during the event to address any concerns raised by local residents or attendees. This individual will be empowered to take immediate action if any issues arise, ensuring swift resolution.
4. **Event Team Support:**
A team of staff will be present on-site to assist with crowd management, help direct attendees, and monitor event activities. The team will also be available to address any local concerns as they arise.
5. **Clear Communication with the Community:**
Prior to the event, we can notify neighbouring residents about the event schedule, potential noise, and contact information for any concerns.
6. **Parking and Traffic Management:**
To address potential parking and traffic issues, we have requested permission from the Council to use the reserve on Baloo Street for event parking which has been approved. This will help to minimise street parking congestion in the neighbourhood. Additional team will be in place to direct vehicles to appropriate parking areas.

Refer to any attached plans as required in Attachments

The proposed communication strategy for communicating with potentially affected persons;

Inform our neighbours (via a letter) about the anticipated increase in noise levels during the upcoming event, which will take place over two days.

To help manage any potential disruptions, we will have a dedicated team on hand to direct attendees and a clear process in place to address concerns from both attendees and local residents.

A designated point of contact will be available for any issues that may arise.

The proposed communication strategy of any unforeseen incidents with council;

We will document and email the council of any unforeseen, incidents and will keep an open dialogue with the council to address any incidence that may arise

The attached notice forming part of the communication strategy shall be delivered to all affected premises as shown in the attached plans (refer attachments)

Name and Contact Details of the Person Who May Be Contacted by Potentially Affected Persons Regarding Concerns or Complaints in Relation to the Activity

Name:	Belinda Theav

Recording details about complaints

contact details for each complainant
the date and time of the complaint
a description of the complaint
the nature of the activity giving rise to the complaint
any action taken to address the complaint

Council contact:

Team Leader Environmental Health 08 84068222 or E environmentnuisance@salisbury.sa.gov.au

Conditions

In addition to proposed strategies included above:

Event 1 - 20 December 2024 between 4.30 to 8.30 pm, subject to:

- Bass will be turned off or reduced to as low as possible on all music controls and amplifiers, and
- Music played outside is to be monitored and kept to a reasonable volume at the perimeter of the premises to minimise disturbance and impact on adjoining residential areas.
- All community feedback will be documented and shared with Council as it is received and action taken in a proactive manner to address community feedback,

Event 2 - 21 December 2024 between 4.30 to 8.30 pm is subject to;

the above conditions, and

pending feedback from event 1, the following condition applies:

- any impact on multiple households (3 or more) from the music played outside from Event 1 that cannot be eliminated or reduced and causes nuisance impacts will result in the following condition:
 - no amplified music is to be played on the outside of the premises during Event 2 - 21 December 2024 between 4.30 to 8.30 pm.

Notify all attendees to depart quietly at the conclusion of the event

Potentially Affected premises

Draft / Indicative Notice to be delivered to affected premises at least 7 days prior to event

To be embossed of applicant's letter head

Dear Resident

Re: Notification of potential nuisance resulting from Christmas event including concert and amplified music at 61 Baloo Street Ingle Farm.

The purpose of this letter is to inform you that Nova Church will be undertaking a Christmas celebration event that will include amplified music.

The event will include two Christmas services, one on Friday, December 20th and another on Saturday, December 21st, both being held between 4.30pm and 8.30pm.

Christmas holds great significance in our faith, and our main service on Saturday will be followed by a festive celebration. This will include family-friendly activities, entertainment, food, and music, all taking place on the outdoor areas of our church

This activity may result in local nuisances in the form of noise being generated and this event has been permitted by the City of Salisbury by way of an exemption from Section 18 of the *Local Nuisance and Litter Control Act 2016* (the Act) subject to conditions.

During this event we will undertake the following to minimise our impact on the local community:

Limited Duration of Amplified Sound/Music:

The outside amplified sound/music will be restricted to a short timeframe, specifically from 4:30 pm to 8:30 pm, to avoid prolonged noise disturbance.

The conditions from Council include:

- Bass will be turned off or reduced to as low as possible on all music controls and amplifiers, and
- Music played outside is to be monitored and kept to a reasonable volume at the perimeter of the premises to minimise disturbance and impact on adjoining residential areas.
- All community feedback will be documented and shared with Council as it is received and action taken in a proactive manner to address community feedback,

Noise Monitoring:

We will monitor noise levels throughout the event to ensure they stay within acceptable limits. Should any issues arise, we will consider further action to minimise any disruption.

Designated Point of Contact:

A dedicated point of contact will be available during the event to address any concerns raised by local residents or attendees. This individual will be empowered to take immediate action if any issues arise, ensuring swift resolution.

salisbury.sa.gov.au

Event Team Support:

A team of staff will be present on-site to assist with crowd management, help direct attendees, and monitor event activities. The team will also be available to address any local concerns as they arise.

Parking and Traffic Management:

To address potential parking and traffic issues, we have requested permission from the Council to use the reserve on Baloo Street for event parking which has been approved. This will help to minimise street parking congestion in the neighbourhood. Additional team will be in place to direct vehicles to appropriate parking areas.

If you have any concerns about this activity, please contact the following persons and or Council.
