### Traveling Exhibition

#### Thin Ice VR experience

Head to the John Harvey Gallery to check out the Thin Ice VR experience and see the effects of climate change in this immersive VR experience journey through the Antarctic, trekking over perilous ice peaks and down steep icy descents on the quest for safer ground.

Monday 17 February to Sunday 30 March (during normal opening hours)

Cost: Free

The poster features a dark, atmospheric background of a snowy Antarctic landscape. In the foreground, a person in a heavy, light-colored survival suit is trekking across the ice, leaving a trail of footprints. Another person is visible in the distance. The text is overlaid on the image. At the top right is the City of Salisbury logo. Below it, a white bar contains the text 'FREE IMMERSIVE VR EXPERIENCE'. The main title 'THIN ICE' is in large, bold, white letters, with 'VR' in a smaller font to the right. Below the title, there is a short paragraph of text and a URL. At the bottom left, there is a QR code and a small text box. At the bottom, a dark blue bar contains the dates and location.
