## CEMETERY NOTES

1. Prices may be subject to change at the discretion of Council.
2. Current and new licences are issued "at need" are for a period of 50 years (with the exception of vaulted sites which may be for 99 years) from the date of issue.
3. Cremation Memorial Licences are issued for a period of 25 years.
4. Reservation Fees – cover all sections of the cemetery, excluding the Children's Section. The reservation is for a period of 2 years with NO right of reservation renewal.
5. No improvements are to be made on reserved plots without written permission of Council and a guarantee from the Lessee that all improvements will be removed at lessee's expense should the reservation not be renewed.
6. Ledger spaces are actually one and a third standard spaces wide and the additional costs for a licence relate to the increased area of the space.
7. a) Memorial fees for the ledger section are additional over and above the standard charges as the rules and regulations allow for an additional increase in the height of the actual headstone to 1650 mm from the standard 900 mm.  
b) Memorial fees for the vault section are additional over and above the standard charge as the rules and regulations allow for the lessee to set the height of the monument with approval from the Cemetery Manager.
8. For the reopening of a burial site a minimum period of 20 years on the Licence is required. Families will be required to extend the licence at the time of burial.
9. All fees listed are inclusive of GST.
10. Crypt prices do not include memorialisation or entombment.
