## LGA President Candidate Information Sheet

(word limit is strictly 1,000 words)

<b>Name</b>	Mayor Kris Hanna
<b>Council</b>	City of Marion
<b>Local Government Experience &amp; Knowledge</b>	Mayor of City of Marion since 2014 GAROC 2023-2024 Councillor, City of Marion 1995-1997
<b>Local Government Policy Views &amp; Interests</b>	<p>When I became Mayor of Marion in 2014, I was fortunate to have the support of Marion councillors in questioning and reviewing every aspect of council operations. It led to a long journey of improvement, placing Marion in a position to complete major projects every year, with ample state and federal government support, while keeping rate rises relatively low.</p> <p>Admittedly, I was critical of the LGA at that time, and it has been pleasing to see improvements in LGA benefits over the years. If councils agree with me that it is time to <b>extensively review the LGA budget and operations, to ensure value for money</b>, then I would be glad to apply myself conscientiously to the task. Of course, I realise such a challenge means working constructively as part of a team with fellow board members and the CEO; I look forward to it.</p> <p>How can we ensure the LGA truly <b>listens</b> to the member councils?</p> <p>I have some quick learning to do about how well SAROC is working. In theory, a unified voice from country Councils would compel improved services from the LGA.</p> <p>I know GAROC hasn't worked well; I'm committed to regularly gathering Metro Mayors around the table, with a simple formula: short briefing(s) on hot topics, questions on those topics, then general discussion of topics raised by the Mayors. When we meet together informally, our collective common sense and wisdom can be expressed and transformed into action.</p> <p>The LGA could be more effective by emphasising <b>practical help</b> more than policy formulation.</p>

The voice of local government.

The LGA could be offering practical management consultancy help in the many areas where regional councils either cannot attract or cannot afford to pay for necessary expertise, in a range of areas including financial, environmental, governance and human resources.

I'm very conscious that a council like Marion (with about 400 employees) has the luxury of being able to employ specialists in so many areas: project management, water resources, playground design, and so on. The small rate-payer base in many regional councils simply cannot fund the ideal range of professional staff for the many problems facing regional areas. The LGA should provide practical help with these problems.

LGA advocacy can be more effective.

The strategic goal goes beyond the individual issues raised by Councils: it is to have local government truly respected at the State and Federal level. From my experience as an MP, I know very well how the lobbying process works and how to maximise success. Understanding the legislative process, and being able to read and understand legislation itself, are advantages. I would be able to step into this aspect of the role "on day one".

Probably the most important single issue requiring continual advocacy is the **constant shifting of costs** from State to local government.

Every council is aware of the continuing cost impositions of state government onto local government. We need to gather the evidence and lobby more strenuously against this.

An example affecting every council is the imposition of the ESCOSA audit. The larger Metro Councils already have an external auditor, and an internal auditor and a highly competent audit committee of independent professionals. They don't need ESCOSA. For the many smaller regional councils, they need practical help, not an invoice for \$40,000+ for a report telling them they need more practical help!

Another example is the collection and distribution of the Landscape Levy – the money collected in each council area in no way correlates to the need in each council area.

Yet another example, especially pertinent for Metro councils, is the need for another dog/cat detention facility. We can't keep relying on non-government organisations (which councils end up paying) when they cannot always meet demand as it is.

The voice of local government.

	<p>Motions about a range of <b>social and political issues</b> regularly turn up at LGA General Meetings – is that the right place for these worthy and noble aspirations? We wouldn't be in local government if we didn't want to make the world a better place in some way. At Marion Council we have developed a culture in the chamber of not getting into debates about the many shortcomings of State and Federal Governments and the international scene – this has left us with more time to properly deal with our own local problems.</p> <p>Of course, the LGA must respond to concerns raised by every Council raised, but I would be encouraging all of us to focus on the issues where we can readily and powerfully make a positive difference, in the areas under our direct control; at the same time, encouraging the State and federal Governments to do what they are meant to be doing for us all.</p>
<p><b>Other Information</b></p>	<p>Over 30 years as a lawyer, including a period of running and managing a small legal practice. Helped ordinary people with extraordinary problems, particularly with employment disputes. I also developed expertise helping nonprofit associations with management issues, including drafting/revising over 200 constitutions.</p> <p>Law degree with Honours.</p> <p>In the past served on boards of diverse organisations such as the Victim Support Service, the Multifaith Association and school councils.</p> <p>In State Parliament (Member of the House Assembly) 1997–2010.</p>

## LGA President Candidate Information Sheet

(word limit is strictly 1,000 words)

<b>Name</b>	<i>Dr Heather Holmes-Ross</i>
<b>Council</b>	<i>City of Mitcham</i>
<b>Local Government Experience &amp; Knowledge</b>	<p>I have served as Mayor of Mitcham since 2018 and as a GAROC representative for the past four years, currently holding the position of GAROC Chair. Since April 2022, I have also been a member of the LGA board. I see my role as Mayor as one of listening and advocacy, which has driven me to establish strong relationships with councillors, our CEO, council staff, local MPs, and community members. By proactively engaging with community groups, schools, universities, and businesses, I have been able to understand and address their diverse needs, facilitating partnerships that benefit all parties involved.</p> <p>I have successfully advocated for my community, securing grant funding and policy changes that directly benefit our residents. At the sector level, I have worked diligently to build strong relationships with fellow Mayors, councillors, LGA staff, and government MPs. My election as LGA board member and GAROC Chair reflects the trust my peers place in my abilities. I have also proudly represented the sector in several occasions including on panels at the 2022 and 2023 ALGA National General Assemblies.</p> <p>Through my role on GAROC, I have developed a comprehensive understanding of the common issues and concerns faced by metropolitan councils. Through my role on the LGA board, I have gained an excellent understanding of the workings of the LGA and broadened my knowledge of the regions. Having spent my childhood (Alice Springs) and teen years (Deniliquin, NSW) in regional Australia, I am aware of the joy of country living and the harsh realities of rural life. I have recently travelled to a number of regional LGA board meetings to further expand my knowledge of the regions and better understand the concerns of rural councils.</p>
<b>Local Government Policy Views &amp; Interests</b>	<p>Like many of us in local government my passion lies in building happy, resilient, and empowered communities. I believe collaboration is key, whether among stakeholder groups within local government areas or across the sector as a whole. The LGA is uniquely positioned to strengthen the long-term financial, environmental, and social sustainability of the sector through advocacy, promotion, and facilitation. My goal is to</p>

The voice of local government.

	<p>support the LGA in being as effective as possible in these endeavours.</p> <p>Financial sustainability is a pressing issue for the sector, particularly in the face of rising living costs, the state government oversight through ESCOSA and the federal government's shift to tied grant funding. The challenge is to become more efficient, delivering more with less and exploring opportunities for additional revenue generation. The LGA can play a crucial role in facilitating the spread and adoption of innovative solutions being trialed by councils across the sector.</p> <p>For example, last year, the LGA supported the District Council of Murray Bridge and City of Mitcham in a joint power procurement trial, which resulted in Murray Bridge saving upwards of \$350k per annum, while Mitcham is set to save \$10 million over the next ten years. Opportunities like this can be expanded to benefit other councils, with the LGA leading the way in facilitating such initiatives.</p> <p>Similarly, several councils are currently involved in programs with Adelaide's universities for graduates who would probably not have considered a career in local government. These programs are very successful in attracting and retaining talented and enthusiastic young people, helping address skills shortage and positioning local government as employers of choice. I am keen to see the LGA support and extend these opportunities.</p> <p>Additionally there are opportunities for cost savings through shared services, and collaborations with the private sector. There is also interest by member councils in working together to tackle or advocate on common issues such as the Adelaide freight by-pass or eliminating childcare deserts.</p> <p>It is my wish help the LGA be more clear with its purpose, play a leadership role in facilitating collaborations, and advocate effectively on behalf of the sector.</p>
<p><b>Other Information</b></p>	<p>I came to local government from a background in business and academia. I have a PhD in chemistry from Flinders Uni which means I am trained to investigate, problem solve and collaborate. In turns out that these are handy skills for navigating the intricacies of local government. I have an excellent understanding of finances and business management. The hospitality business, the Artisan Cafe, which my chef husband and I founded and managed for 10 years was recognised for excellence several times, with a highlight our being awarded the Australian Cafe of the Year in 2017 by our industry body. Our latest venture, The Lost Dice, is a board</p>

game cafe located in the Adelaide CBD which services a wonderfully diverse community.

I believe small businesses play a pivotal role in community development, and supporting local economies leads to better outcomes for everyone. I previously founded a "shop local" and social inclusion movement in our area, which resulted in both economic and social benefits for the community. I am deeply interested in finding the best ways to support our business communities, allowing them to thrive and give back to the communities that support them.

Since early 2019, I have served as a director on the East Waste board, a subsidiary of eight councils responsible for waste transport. Additionally, our council has chaired Region 7 of the Murray Darling Association, representing the Adelaide metropolitan area. Waste and water management present significant challenges for the sector, but there are also opportunities for local government to lead the way through best practices and embracing the circular economy.

I am the Local Government Representative on the Australia Day Council SA board. I take great pride in the council's work celebrating Australians who exemplify our nation's best qualities. Shining a spotlight on ordinary Australians doing extraordinary things inspires hope for a respectful and inclusive future.

Item 3.1.1 - Attachment 1 - Candidate Profiles for the Position of LGA President

PORT  
ADELAIDE  
ENFIELD

Office of the Mayor

19 August 2024

Dear Mayor Aldridge and Councillors of the City of Salisbury

**Letter of Support - LGA President Nomination**

I'm writing to share with you my desire to represent our sector as President of the Local Government Association of South Australia, and to seek your support in my nomination.

I've been an elected member with the City of Port Adelaide Enfield for fourteen years, six of those as Mayor. I spent my early years in the Adelaide Hills on a dairy farm and continue to have close family connections to the area, was then educated in the Lower Lakes and Coorong region as my family continued their farming journey, before moving to Adelaide and Perth for my tertiary education. My qualifications led me into teaching for over fifteen years and living across Adelaide in various metropolitan regions. With this varied life background I have an understanding of the vastly different needs of our rural, regional and suburban regions.

As a current sitting member of the Board of Directors, I have been clear in my position that local government should remain true to our core responsibilities. Too often, we are loaded with expectations from other levels of government and our communities, creating distractions and responsibilities which are difficult to meet and maintain.

Councils have shared their priorities for the LGA to turn their focus to, to provide future direction to the board and administration. Besides this, we must also remain agile in our response to Councils as support is required. Recently, the LGA has supported Councils through campaigns focussed on the vital importance jetties place on our regional communities, the need for state funding to our library services as they play a crucial part of our connection and service to our communities, and assistance for councils through the current changes of the LG Act and Election period.

To understand more about my range of experiences supporting Local Government, I share the following:

- Mayor Port Adelaide Enfield (2018-current)
- Councillor Port Adelaide Enfield Council (2010-2018)
- Member of the LGA Board of Directors (2020-current)
- Chair of the LG Research and Development Schemes Advisory Committee (2022-current)
- Committee member of the Local Government Association Nominations Committee (2022-current)
- Committee Member Greater Adelaide Region Organisation of Councils (GAROC) (2020-current)
- Green Adelaide Board Member (Landscape Board) (June 2020 – June 2024)
- CAWRA Board Member (Material Recovery Facility – City of Port Adelaide and City of Charles Sturt) (2020-current)
- Audit and Risk Committee for Green Adelaide (2023-2024)

163 St Vincent Street Port Adelaide SA 5015 (08) 8405 6600 service@cityofpae.sa.gov.au www.cityofpae.sa.gov.au

As President, I will continue to advocate for Local Government across South Australia and look forward to working alongside you in this role. I care deeply for Local Government and know that I will be an honest voice for all of us who work and serve in our roles, representing our communities through our councils.

I encourage you to reach out to discuss any matters you would like to raise with me or questions you have about my nomination for this position.

Kind regards,

Claire Boan  
**Mayor**

From the Office of the Mayor

3 September 2024

Dear Mayors, Councillors and CEOs

**Local Government Association SA (LGASA) President Nominations**

I am formally seeking your support for my nomination to the position of **President of the Local Government Association of South Australia (LGASA)**.

As the current Mayor of the City of West Torrens, I have the privilege of leading a vibrant and diverse community, and I am enthusiastic about the opportunity to contribute to the broader local government sector at a 'State-wide' level.

Throughout my 14 years on Council (6 years as Mayor), I have demonstrated a strong commitment to effective governance, community engagement, and sustainable development. Under my leadership, the City of West Torrens has achieved many significant milestones, including improved infrastructure, enhanced community services, and strengthened local businesses. Most recently, securing the relocation of the Adelaide Football Club (AFC) from West Lakes to our Thebarton Oval / Kings Reserve Precinct. My ability to foster collaboration among my councillors, community organisations, and local businesses has been instrumental in driving these achievements.

One of my key priorities has been advocating for the interests of our community at both State and Federal levels. I have actively engaged with Government Ministers, Local MPs and key stakeholders to secure funding for vital projects, ensuring that our community's needs are met. An example of this is the current project to upgrade the West Torrens Council-owned Thebarton Theatre.

In addition to my role as Mayor, I have served on various committees and boards, including 2 years as a Board Director of LGASA with 2 years as a member of the Audit and Risk Committee, 2 years as a Board representative on the Adelaide Coastal Councils Network (ACCN) and 2 years as a member of the Greater Adelaide Region of Councils (GAROC).

This experience has provided me with a broad understanding of the complexities and challenges faced by all of our 68 local councils across South Australia, as well as the importance of advocating for equitable policies and resources and, has honed my ability to navigate complex policy landscapes and build consensus among stakeholders while maintaining respectful relationships.

---

I am confident that my leadership experience, dedication to community service, and passion for local government ensures my strong candidacy for the position of President of the LGASA. I am excited by the opportunity to contribute to the future success of local governments in South Australia and to work collaboratively with **all councils** to achieve our shared goals.

As President of the LGASA, I will be committed to promoting the interests of all councils in South Australia, fostering collaboration, and advocating for policies that support sustainable and resilient communities. My focus areas for the LGASA include:

**Strengthening advocacy efforts:** ensuring that the voices of **all councils** are heard and that their needs are effectively represented at both the State and Federal levels. **Politically, I am non-partisan.**

I have respect for all leaders in our political system and am professional in all my undertakings with them. I am committed to advocacy for both regional and metropolitan council key issues including (but not limited to) addressing the current housing crisis, a review of the formula for the determination of Financial Assistance Grants (FAGS), blackspot funding, aged care funding, and community development funding.

**Positively promoting the Local Government sector:** I am fully committed to LGASA actively promoting the 'good news' stories of Councils and the positive role we play in our communities.

**Promoting innovation and best practices:** facilitating knowledge sharing and collaboration among **all councils** to continually drive innovation and the adoption of best practices in local governance to address ongoing infrastructure delivery, financial sustainability (ESCOSA), cybersecurity threats, asset and infrastructure maintenance, cultural awareness, and artificial intelligence and emerging technologies.

**Enhancing community engagement:** developing tools for **all councils** to support the continued engagement with their communities in meaningful ways to ensure that local government actions reflect the aspirations and needs of their residents.

**Supporting sustainable development:** advocating for policies and initiatives that promote environmental sustainability, economic growth, and social well-being across all communities with a continued focus on our sector's response to climate change and local government responsibilities of waste management.

Thank you for considering my application and, should you wish to discuss any aspect of the information provided, please feel free to contact me on 0402 212 002 or at [mayorcoxon@wtcc.sa.gov.au](mailto:mayorcoxon@wtcc.sa.gov.au).

In closing, I respectfully request this letter be included in your council agenda with my nomination information.

Yours sincerely

**Michael Coxon B.A., Grad. Dip. Prop.**
